THE ANTI-PARTITION OF IRELAND LEAGUE,

High Holborn, W.C.1

July 24th 1939

Mr. Donald H. Taylor,

Dear Mr. Taylor,

Last week's issue of the "News Review" carried an article against Partition by The Hon. Frank Pakenham and an article for Partition from Sir Wilson Hungerford. If you have not already seen it there is plenty of scope for picking holes in Sir Wilson Hungerford's article. It is the usual mass of misstatements. Perhaps, you might find time to pen a letter or two to the Editor. In this week's "Statesman and Nation" there is a letter from a Northern Ireland Government spokesman replying to a letter in the previous week's issue attacking the Craigavon Government. Here also you may find a loophole of attack. Otherwise, things are all quite on the newspaper front.

Kindest regards,

Yours sincerely,

J.O. Barry Walsh,
Organising Secretary.
